Professional Experience

Intern
Java Full Stack Development
Aug/2025 – Present
X-WorkZ Softeware training,
Rajajinagar, Bangalore.

- Gained hands-on experience in various software programs, increasing proficiency and expanding technical skill set.
- Explored new technologies and modern approaches to optimize development processes.
- Improved coding efficiency through the implementation of automated testing scripts.

Skills

- **Technical Skills:**

 JAVA
 Data types, Methods, Constructor, Array, Java Relationships, OOPS's Concepts, Wrapper Class, Exception, Exception handling, Collection, Stream API.

Web-Technologyies:
HTML
CSS
Java Script
Bootstrap(Framwork)

Data Base:
[MySQL]
DDL,DML,TCL,DQL
Aggregate Functions, Joins, Subquery

- **Technical Tools:**

IntelliJ IDEA
Vs code
MySQL Workbench
Git hub

Languages

- English
- Kannada
- Hindi

Technical Summary

Full Stack Development:

• Proficient in Java with strong knowledge of **object-oriented programming concepts** including methods, constructors, interfaces, exception handling, **collections** framework, and **Java 8 features,** along with a foundational understanding of basic data structures.

• Experienced in developing responsive and user-friendly web interfaces using **HTML, CSS, JavaScript**, and **Bootstrap.**

• Proficient in **MySQL** with strong hands-on experience in **DDL, DML, DQL, and TCL,** including writing optimized queries using **joins, subqueries**, and **aggregate functions** to manage, analyze, and maintain relational databases efficiently while ensuring data integrity and performance.

• Familiar with industry-standard development tools and environments such as **IntelliJ IDEA, Visual Studio Code, MySQL Workbench,** and **GitHub** for version control and collaborative development.

Project

News Application:

Technologies Used:
- **Backend:** Java, Spring Framework (MVC)
- **Frontend:** HTML, CSS, JavaScript, Bootstrap
- **Database:** MySQL
- **API Integration:** NewsAPI

A secure News Application using Spring MVC, JSP, and MySQL with features like user authentication, OTP verification, profile management, and real-time NewsAPI integration. Implemented modular architecture, robust validation, and optimized backend workflows to deliver a scalable, user-friendly web platform.

Tools Used: IntelliJ IDEA, Apache Tomcat Server

Education

Masters (MCA)
2023/24 – 2024/25 | Bangalore,
Akash Global College of Management and Science.
CGPA : 7.84

Curricular Activities

- Actively participated in **NCC National Camp in Coimbatore** as a Senior Under Officer (**SUO**) in Army Wing.
- Played an active role and obtained certificate in **NSS**, National Integration Camp (NIC) in **Punjab**.
- Successfully organized and coordinated a **Logo Design** event during the **inter-college fest**, handling, plaining, event promotion and execution (2024).
- Effectively organized as organizer in **Technical Treasure Hunt** event as part of **MCA academic activities**, demonstrating leadership, event plaining, and team coordination skills (2025).
